Welcome to GS1 US

Congratulations on licensing your GS1 US GTIN(s)! We're here to provide the tools and resources you need to identify your products with GTINs and barcodes. Get started with these three simple steps:

Step 1: Review Your Company's Membership Information

Company Name: **ZENYVA, LLC**Account Number: **30362240**GS1 US GTIN: **199874621753**Brand Name: **ZENYVA Gentle 60-count**

Product Description: **ZENYVA Gentle is a premium dietary supplement designed to support overall wellness and vitality. formulated with high-quality ingredients to promote digestive health and enhance energy levels.**

Each GS1 US GTIN (Global Trade Item Number) allows you to uniquely identify one retail product in the supply chain.

Step 2: Log In to Your myGS1 US Account

To access your member benefits and Identifier Certificate, you'll need to log in to myGS1 US, our online member center. Your username is

mbrashars@gmail.com[LOGIN TO MY GS1 US](#)

Step 3: Get Started with GS1 US Data Hub

You can **work with your GTIN(s) right away through GS1 US Data Hub | Product**, our online tool to obtain your barcode image(s), add additional product details, and more.

Visit the Data Hub [Help Center](#) for resources to get started, including a short tutorial video on how to generate and print barcodes in Data Hub. Please be sure to use Chrome or Firefox as your browser since some Data Hub features do not display properly in other browsers.

Please retain your membership information for future reference. You may want to login periodically to make sure your company and contact information is up-to-date.
